

FATULLAH APPARELS

Believe in Delivery with Immaculate Quality.

Introduction:

Fatullah Group has started its textile business in **1986** by manufacturing all types of woven fabrics & knitwear and it was one of the few companies who started knit composite business in that time.

To step into the export market, the group establishes its new venture **Fatullah Apparels** in the year 1998 to manufacture and export all types of knitwear.

The total working area companies of 400,000 sft in 3 different premises

Our plant and office are located in the most popular knit area of Bangladesh, it gives security and convenience for the transportation of goods and all kinds of support needed for the daily production and financial facility.

Our yearly turnover is around \$20 million (US Dollar) & almost 2000 workers and employees are making their living with Fatullah.

Fatullah Group History:

The business history of FATULLAH dates back more than **half a century**, when late Al-Hajj Sirajul Haque Hawladar opened **Siraj Printing Works (1941)**, the first printing press in Narayanganj. From then onwards it has been a steady uphill growth for Fatullah.

In the last Eight decades, we have matured to be a leading business house, having twelve different companies. They are as follows:

- i. Siraj Printing Works (1941)
- ii. Begum Rokeya Rice Mills (1953)
- iii. Fatullah Dyeing & Calendering Mills Ltd. (1986)
- iv. Fatullah Knitting Mills Ltd. (1990)
- v. Fatullah Fabrics Ltd. (1992)
- vi. Fatullah Enterprise Ltd. (1993)
- vii. Fatullah Apparels (1998)**
- viii. Fatullah Cotton & Weaving Industries Ltd. (2000 – 2006)
- ix. FES-TEX Labels Ltd. (2005-2018)
- x. Greenways Poly-Pac Ltd. (2005)
- xi. Eraf Composite Ltd. (2007)

A Message from the – Group Managing Director, Fatullah Apparels Group.

Dear Valued Clients,

It gives me immense pleasure to introduce Fatullah Apparels as one of the leading garments manufacturers in Bangladesh specializing in knit items.

As a matter of principle, Fatullah Apparels possesses a state-of-the-art factory complying all international codes & standards of quality and safety which can easily satisfy the highest demands of our buyers.

The long-term strategic goal of the company is to acquire a selected group of buyers and maintain a permanent and personal relationship with them by ensuring both buyer and supplier satisfaction.

During the past years, we have selectively worked for orders that have played a significant role in improving the general level of quality of the factory with the direct exports to countries like France, Denmark, Italy, Germany, Spain, Canada & USA.

Fatullah Apparels is now in a perfect position to move forward with its long-term plans. We are capable of manufacturing high quality products and it ranges from t-shirts to pajamas to children's wear etc.

Some of our milestones are the Oeko-tex 100 certificate for fabrics & Garments, Sedex, BSCI, ICS, GOTS, OCS & GRS Audit of factory.

We assure your complete satisfaction through our commitment and immaculate quality.

Thank you for your interest in Fatullah Apparels.

Greetings,

On behalf of the U.S. Green Building Council, I congratulate you on achieving LEED certification for FATULLAH APPARELS. Your project has achieved platinum certification under the LEED 2009 New Construction and Major Renovations rating system with a total of 97 points.

LEED certification identifies FATULLAH APPARELS as a showcase example of sustainability and demonstrates your leadership in transforming the building industry. In honor of this impressive achievement and in appreciation of your participation in LEED, we are pleased to present you with the enclosed certificates recognizing your accomplishment.

Now that your project has achieved LEED certification, we encourage you to share your project with the green building community. Please follow the prompt in LEED Online to make it a "public" project. Public projects appear in our LEED project directory found on USGBC.org and are eligible to participate in additional marketing efforts and campaigns.

Congratulations on earning LEED certification, and thank you for your commitment to our common goal of building a healthy, sustainable future.

Sincerely,

Peter Templeton
